AnswerGarden

A minimal tool for maximum feedback

AnswerGarden is a social word cloud that allows teams and audiences to share ideas, opinions and knowledge in an easy and immediate way.

AnswerGarden is for anyone interested in getting feedback from a group. AnswerGarden is used by teachers to establish the knowledge level of a class on a certain topic. It is used at conferences and workshops to break the ice with the audience in a fun and interactive fashion. It is used by creative teams for online brainstorming sessions. Bloggers and webmasters use it to poll their visitors in a brief and to-the-point matter.

AnswerGarden is completely free and requires no registration. Check it out:
